### 1. About the Club

Siena Netball Club was established in 2012 by Kaylene Buckley to give girls and boys opportunities to grow their netball skills and enjoy competitive play beyond the school setting. Our club is fully volunteer-run and welcomes students from across the Sunshine Coast, with our base located at Siena Catholic Primary School and Siena Catholic College.

We currently support over 190 players across 22 teams, ranging from ages 7 to 18. Our weekly coaching sessions include skills, drills, and match play in a friendly and safe environment. We strive to reflect the values of both Siena Primary and Secondary, with a strong focus on improvement, sportsmanship, and community support.

Training is held at Siena Primary School and College on Tuesday afternoons between 3:15pm and 5:30pm. Fixtures are played at Sunshine Coast Netball Association, Fishermans Road, on Saturdays.
